10	Imran	11/12/2005	7000123456	Mohammad Yousuf	Lasjan, Srinagar

Task 1: Data Entry

- Fill in the table with **complete and realistic details** for each student:
 - Full Name
 - Date of Birth (in DD/MM/YYYY format)
 - Contact Number (10-digit format)
 - Parentage (e.g., "S/O Bashir Ahmad")
 - Address (locality, city)

Task 2: Table Formatting

- Apply **professional formatting** to the table:
 - Use **bold headers** and align text properly.
 - Ensure **consistent spacing** and **column widths**.
 - Highlight the header row with a **background color** or border.
 - Use a **readable font** and maintain uniform font size.
